Date Friday, November 17th, 2023 at 9:53 PM

Dear Selva Viswanath,

Thank you for considering a career with Salesforce! We received your resume from a Salesforce employee and have reviewed your background and qualifications for the AMTS Software Engineer, BT to which you were submitted.

Your resume has been sent to the recruiter and hiring team for review. The team will be in touch if there is an interest in moving forward.

Thanks so much for your time and consideration.

Best regards,
The Futureforce University Recruiting Team
